1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

i AM A CUSTOMER/CONSUMER of Duke power. I am nearing retirement age, a widow and am already paying \$200.00 a month for power.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

Duke energy made a profit and is now becoming greedy and does not care about the older people already on fixed income. When I moved I had to put up a \$400.00 deposit (i was told the highest deposit would be \$250.00) When I questioned it. i was told two different things. One had become a bad credit risk and basically that they had to make up the money where people had left them hold the bag and walked out on their bills. I am a bad credit risk right now, but I lived in the same house for 28 years prior to this move. I have been a customer of duke energy all those years and until the last year had not had a problem paying my bill.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *
(This section should be completed.)

I don't know that with my credit history I would be of any help.
